Dear Mr. and Mrs. Jones,

I recently decided to go on a mission trip to [Peru](#) with an organization called Global Expeditions!

Global Expeditions is part of Teen Mania Ministries and Teen Mania Canada and in the last 25 years they've taken over 67,000 missionaries, like me, to more than 69 countries worldwide.

I'm excited about this trip, because Global Expeditions is committed to equipping me to be effective in reaching out to others in [Peru](#), while also challenging me to become more aware of the needs of others in my own community. I cannot think of a better way to spend my time than sharing the Gospel with others and allowing God to change my own heart and life in the process!

Peru is located in South America, but I will be meeting my team first in [Garden Valley, Texas](#) for training on [July 7, 2012](#). From there we'll be going to [Peru](#) and I'll be back home on [August 2, 2012](#).

While we are in [Peru](#), I will be ministering through [dramas and personal evangelism](#).

The total cost of this trip is [\\$3000**](#) and covers everything once I arrive in [Garden Valley, Texas](#). During the next several weeks I will be working very hard to raise the funds to go and I wanted to begin by asking you to be part of this mission trip with me by helping with finances.

Any amount you give will be greatly appreciated, and because Teen Mania Canada's Global Expeditions is a registered charity, your donations will be tax deductible!

If you'd like to support me, send a check along with the included form to Teen Mania or online at www.teenmaniacanada.ca using my Missionary ID# [123456](#) and full name.

Your support is a key part of the incredible ministry I know will happen in [Peru](#)!

If you have any questions you can call me at [123-456-7890](tel:123-456-7890) or a Teen Mania Canada at 800-747-5949.

My goal is to have [\\$400](#) raised by [October 31, 2011](#), so thank you for your consideration. Your prayer and encouragement will also be cherished!

God Bless You,
[John Smith](#)

** This amount is calculated by multiplying the trip's base cost in US dollars by a 1.2 exchange rate. Add approximately \$600 for travel to your trip's starting location plus any applicable fees

The amount you entered is the maximum you will have to raise. You may need to raise less. It is better to aim high and require less than to aim low and require more.
